- Chandelier lighting
- Hotels
- Wall sconces
- Floor and table lighting
- Building perimeter lighting

Style and Substance with Micro-Brite Decorative Lamps

Litetronics has applied its patented cold cathode fluorescent technology to a line of decorative Micro-Brite lamps. The Micro-Brite G16½ is ideal for bathrooms, restaurants, hotels, hallways, and vanity mirror lighting. These lamps have an average rated life of 25,000 hours — twenty-six times longer than standard decorative incandescent lamps. They also offer up to 85% energy savings. With such high efficiency, Micro-Brite decorative lamps pay for themselves.
