

LITETRONICS®

INNOVATION. SIMPLIFIED.

THE QUICKEST AND EASIEST
LED RETROFITS

RETROFIT KITS ENGINEERED FOR QUICK AND EASY INSTALLATION

Litetronics offers simple solutions for converting standard fluorescent lighting to energy-efficient LED without having to install new fixtures.

Utilizing the existing housing as a base, these retrofit solutions enable quick installation, limiting labor and disposal costs. The result is years' worth of consistent, high output light and dramatic energy savings.

STRIP SOLUTIONS

LED MAGNETIC RETROFIT

The quickest fluorescent-to-LED conversion kit for strip and wrap fixtures.

- Patented one-piece system for fast and easy installation
- 1x4 single and double tube options
