An LED High Bay solution for when sanitation is top priority.

Certain environments require a heightened level of sanitation. These areas can often include grease, oil, smoke, food particles or dust – all contributing to factors that could lead to bacteria growth and contamination. To meet strict sanitary requirements, an area may be subject to daily wash downs and special cleaning schedules. The LED NSF High Bay is the perfect solution to demanding environments. As an NSF (National Sanitation Foundation) certified product, with an IP69k rating, this luminaire is dust tight and resistant to high pressure steam wash downs. It’s smooth, stylish outer shell eliminates exposed hardware and crevices where moisture and bacteria can accumulate to cause contamination issues. It is also corrosion resistant – powder coated with a stainless steel mounting hook, making it beneficial in areas where salt or chemicals are present.

As a direct replacement for HID, metal halide or fluorescent bulbs, this LED high bay represents up to a 70% reduction in energy costs. With a 50,000 hour rated life, backed by a 5 year warranty, you’re guaranteed years of excellent LED light for visual acuity, low maintenance and dramatic energy savings.

**BENEFITS**
- 50,000 hour rated life
- 5 year warranty
- NSF rated
- IP69K
- Safety Cable pre-installed
- Polycarbonate lens
- Dimmable 0-10V (100, 150W)
- Corrosion resistant
- Wet location rated
- Waterproof twist-connect wiring with 6’ cord

**MARKETS & APPLICATIONS**
- Food & beverage processing
- Farming & agricultural facilities
- Commercial kitchens
- Power plants
- Marinas
- Manufacturing facilities
**SPECIFICATIONS**

- **Average rated life (@L70):** 50,000-hours
- **Warranty:** 5-year
- **Operating temperature:** -22°F to 113°F (-30°C to 45°C)
- **Input voltage:** 120-277V
- **Surge Immunity:** Line-line 2KV, Line-earth 4KV
- **Power factor:** ≥0.9
- **Beam angle:** 120°

- **CRI:** >80
- **Location rating:** Wet
- **Dimming:** 0-10V
- **IP rating:** 69K
- **Weight:** 50W=12.3lbs, 100W=12.7lbs, 150W=15.5lbs.
- **UL/cUL listed:** Yes
- **RoHS compliant:** Yes
- **DLC rating:** Premium

**DIMENSIONS**

- **13.39”**
- **15.35”**
- **50W & 100W**
- **50W & 100W**
- **150W**

**MOUNTING**

- **Standard:** Round Stainless Steel Hook

**ACCESSORIES**

- 10’ cord

**ORDERING INFORMATION**

**CLEAR GLASS**
