LED HIGH BAYS

ROUND | LINEAR | NSF | HAZARDOUS LOCATION

LED NSF HIGH BAY

This corrosion-resistant, NSF-approved LED High Bay is the perfect solution for demanding food processing environments where safety, sanitation, and durability are top priorities.

Wattage/lumen options include...

- 50W | 6,500 lumens
- 100W | 13,000 lumens
- 150W | 19,500 lumens

Mounting options include...

- Round hook

All units feature...

- NSF approval
- IP69K rating
- Corrosion resistance
- UL wet location rating
- Waterproof, twist-connect wiring
- DLC Premium listing (130 LPW)
- 120-277V
- 50,000-hour rated life
- 5-year warranty
- 0-10V dimming

LED HIGH BAY PL

The High Bay PL offers top-of-the-line efficiency, durability, and versatility, with several options for customization around mounting and controls, qualifying it as an ideal solution for any high ceiling environment.

Wattage/lumen options include...

- 115W | 16,100 lumens
- 175W | 24,500 lumens
- 240W | 33,600 lumens

Mounting options include...

- Hook suspension
- Pendant
- Yoke

Other options include...

- Pluggable sensors for occupancy detection and daylight harvesting
- High temperature (up to 149°F) model

All units feature...

- UL wet location rated for indoor or outdoor use
- Polycarbonate prismatic lens
- Pluggable sensor port
- IP69K and IK10 rated
- DLC Premium listing (140 LPW)
- 120-277V or 277-480V
- 100,000-hour rated life
- 10-year warranty
- 0-10V dimming
- Emergency battery backup option

LED HAZARDOUS LOCATION HIGH BAY

This Class 1, Division 2, LED High Bay delivers a heightened level of safety in hazardous locations, minimizing electrical risks caused by the presence of flammable gases and liquids or other easily ignitable materials.

Wattage/lumen options include...

- 150W | 20,700 lumens
- 200W | 27,600 lumens

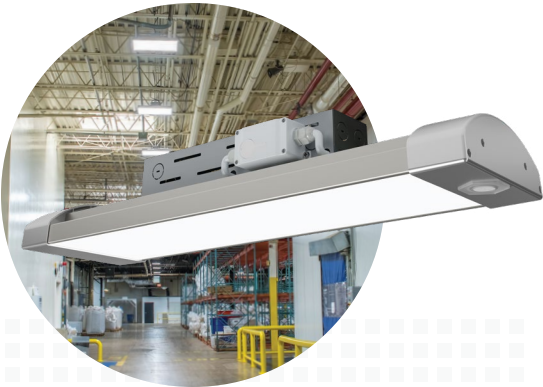

Mounting options include...

- Pendant
- Yoke

All units feature...

- Class 1, Div 2 approval
- T4 rating
- IP66 rating
- Corrosion resistance
- UL wet location rating
- Shatterproof tempered glass lens
- DLC Premium listing (138 LPW)
- 120-277V or 277-480V
- 50,000-hour rated life
- 5-year warranty
- 0-10V dimming

LED LINEAR HIGH BAY

This Linear High Bay solution offers industry-leading efficiency and versatility, delivering advanced control as well as a sleek and compact design and a variety of mounting options to meet the needs of any application.

Wattage/lumen options include...

- 88W | 14,000 lumens
- 112W | 17,920 lumens
- 148W | 23,680 lumens
- 248W | 39,680 lumens

Mounting options include...

- Suspension
- Surface
- Pendant

Other options include...

- Pluggable sensors for occupancy detection and daylight harvesting
- Selectable CCT

All units feature...

- UL damp location rating
- Polycarbonate lens
- Pluggable sensor port
- DLC Premium listing (160 LPW)
- 120-277V or 277-480V
- 100,000-hour rated life
- 10-year warranty
- 0-10V dimming
- Emergency battery backup option

LED HIGH BAY SL

The High Bay SL is your basic, performance-driven LED fixture designed as a go-to LED upgrade from traditional lighting that comes with all the need-to-have options, but without the budget-breaking price.

Wattage/lumen options include...

- 100W | 13,000 lumens
- 150W | 19,500 lumens
- 200W | 26,000 lumens

Mounting options include...

- Round hook
- Yoke

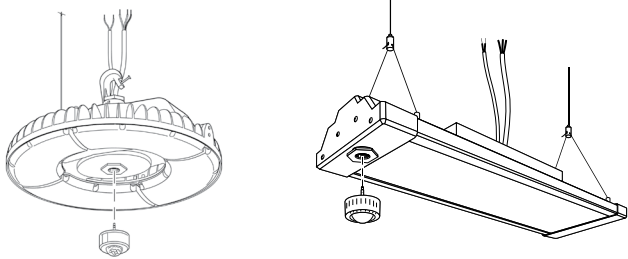

All units feature...

- 10kV surge protection
- UL wet location rating
- IP65 rating
- DLC Premium listing (130 LPW)
- 50,000-hour rated life
- 5-year warranty
- 0-10V dimming
- Emergency battery backup option

PLUGGABLE SENSORS

For superior energy savings and custom lighting control, our pluggable sensors enable occupancy sensing and daylight harvesting, which can be fine-tuned to meet the needs of the environment. Each sensor is compatible with our High Bay PL or Linear High Bay and simply plugs into the fixture to enable a range of customization.

PARTNER WITH THE RIGHT LIGHTING MANUFACTURER

Your customers deserve the best and Litetronics has your back. When you're selecting the right products for your project, make sure you're working with a manufacturer that'll be there through the whole process.

Here are some of the things you can count on when working with Litetronics:

- Quick and clear answers so you can place fast, accurate bids
- A product offering that matches the customer's needs
- High quality products that qualify for the best rebates
- A complete product package with controls and sensors
- Reliable product availability and delivery
- Easy product installation with clear instructions
- Extended product warranties
- Capable support to put things right if they go wrong
