

# LITETRONICS®

## Pendant Mount Kit for Round High Bay SL Gen 3 (HBSAM22)

### Installation Instructions

### Compatible Models

HBS200B6

HBS200B6HV

### SAFETY INSTRUCTIONS AND WARNINGS

- When using electrical equipment, basic safety precautions should always be observed
- This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved
- Installation should only be conducted by a qualified electrician in accordance with NEC and any relevant local building codes.
- Be certain electrical power is OFF before and during installation and maintenance.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or sharp objects.

### WHAT COMES IN THE BOX

Pendant Mount

Screw (x1)

Installation Instructions

### REQUIRED TOOLS

Phillips Screwdriver

### INSTRUCTIONS

Before installation, carefully remove all parts from the packaging. Inspect product for defects due to shipping.

**Always turn off the power supply from main circuit breaker first!**

### PENDANT INSTALLATION

1. Loosen mount screw of the round high bay SL. (Figure 1)

2. Place pendant mount atop round high bay SL base and tighten.

Once pendant mount is affixed to base, tighten mount screw. (Figure 2)

3. Feed wire through pendant mount slot and conduit pipe. Tighten pendant screw to conduit to secure mounting. (Figure 3)

4. Once round high bay SL is supported, attach the included safety cable to a beam or permanent structural support.

*Note: Mounting structure must support the full weight of the fixture in accordance with local codes.*

5. Turn power back on.

Thank you for choosing
