# BLUETOOTH PIR SENSOR WITH IR

FOR OUTDOOR

## DESCRIPTION

The Litetronics Bluetooth PIR Sensor with IR (SC015) delivers rugged, outdoor ready performance with a UV rated housing and fast plug and play installation.

Featuring integrated precise PIR motion detection, and long range wireless capability, they provide superior coverage and reliability, and energy savings.

This sensor enables wireless control of fixtures, or groups of fixtures, through the LiteSmart mobile app.

This plug-in sensor is compatible with Litetronics series of outdoor products.
