LITETRONICS®

LED Downlight 1.5" Narrow Junction Box

Installation Instructions

DLRANJB

WHAT COMES IN THE BOX

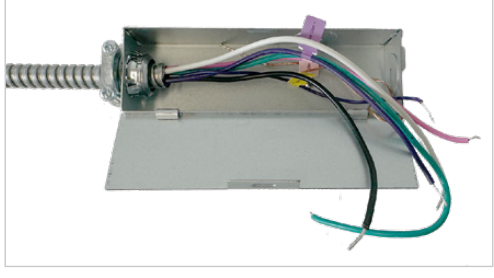

Accessory comes with the following standard parts:

(1) Downlight 1.5 IN. Narrow Junction Box

Before Installation, carefully remove all parts from the packaging.
Inspect product for defects due to shipping.
Refer to Round Downlight Installation Instructions for reference.

1. Turn off power.
2. Before wiring, mount the box securely to a stud or surface. *Screws sold separately.*
3. Remove the knockouts from the narrow junction box as needed for required application.
4. Feed wires through to make the connections, next feed the snap-in connector from the LED Round Downlight flex conduit into the narrow junction box. Follow the LED Round Downlight installation instructions for the appropriate wiring steps.

5. After wiring is complete close the lid of the narrow junction box. Installation is complete.
6. Turn power back on.
