

LED A-Line A15

Efficiency in Familiar Shapes.

The LED A-line series of light bulbs is ideal for most general purpose lighting applications. The A15 makes an excellent choice for ceiling fans, ceiling fixtures or appliances. Both have solid-state LED, and shatterproof construction that hold up much better than incandescent, and smooth, even dimming capability. Available in a wide variety of color temperatures, LED A-Line allows for a seamless transition when replacing incandescent bulbs, only they use 83% less energy and last up to 25 times as long.

Benefits

- 25,000-hour life
- Dimmable
- Instant-On, Instant-Bright
- RoHs Compliant; Mercury and Lead-Free
- Up to 83% energy savings compared to incandescent
- Meets ANSI specifications; fits in standard fixtures
- Reduces replacement and maintenance costs
- 3-year warranty

Markets & Applications

- Restaurants
- Hospitality
- Cinemas
- Appliances
- Decorative Lighting
- Dimmable Fixtures
- Wall Sconces
