

MR16

Halogen Lamps

MR16

Features and Benefits

- 4,000 to 6,000-hour life
- Whiter light
- Dimmable
- Energy efficient

Applications

- Grocery stores
- Retail stores
- Jewelers
- Office interiors
- Optical shops
- Restaurants
- Night clubs
- Landscape lighting
- Museums

There is an MR16 halogen lamp to fit almost any need

- The Frost PAR™ MR16 spreads out light, keeping hot spots off display items.
- The Sure-Beam™ MR16 is designed to release 85% of the heat out of the back of the lamp, reducing heat on the display area.
- The Mirro™ Aluminum-Reflector MR16 lamp reflects light and heat downward, protecting the transformer and extending life.
- The Econo MR16 lamps are a standard, affordable lighting choice.
